2023

THE POWER
OF CHOICE

A GUIDE OF LOCAL ORGANIZATIONS THAT WILL BENEFIT COMMUNITY MEMBERS

Inclusion in this list does not indicate endorsement by 360 Youth Services

Our Mission is to provide life-changing services for youth through substance use prevention education, counseling and housing.

Our Vision is a community where all youth possess the necessary skills to successfully navigate life's challenges.

Our History is rich and challenging. 360 Youth Services began in 1971 when a group of concerned parents, community, and religious leaders recognized the need for professional, youth-centered services in the Naperville community. They formed a council that eventually became a non-profit organization referred to as Naperville Community Outreach. In 2011, the organization changed its name to 360 Youth Services to better reflect its mission and vision.
