OPERATION SNOWBALL

OPERATION SNOWBALL

COMMUNITY RESOURCE GUIDE

An overview of key services available to residents in and around DuPage County.

Inclusion in this list does not indicate endorsement by 360 Youth Services

Our Mission is to provide life-changing services for youth through substance use prevention education, counseling and housing.

Our Vision is a community where all youth possess the necessary skills to successfully navigate life's challenges.

Our History began in 1971 when a group of concerned parents, community, and religious leaders recognized the need for professional, youth-centered services in the Naperville community. They formed a council that eventually became a non-profit organization referred to as Naperville Community Outreach. In 2011, the organization changed its name to 360 Youth Services to better reflect its mission and vision.
